The **MAGIC** *of* **WHY!**

MONEY BLISS BREAKTHROUGH

Welcome, dear friend!

This workbook is designed to help you identify the all-important 'WHY' of your desire to increase money and prosperity in your life.

When you know the WHY, the HOW and WHAT follow with ease.

Step 1. Answer this question, as if time and money were limitless.

How would unlimited prosperity change your life?

Step 2.

Now, consider your answer across the different areas of your life shown on the diagram (next page). This is a chance to get into the details. Use the diagram to make notes under each heading.

Next, think about how important this change is for you. If you feel it is very important, colour in all 5 stars for that area; if not at all, leave blank; if only a little, colour one or two stars.

Step 3. Now you have a record of what change is most important to you...

How would you feel if you had these changes in your life? (*Really FEEL into this!*)

Step 4.
